

SHOW and TELL

MY COLLECTION

A. Look at the pictures and read the sample paragraph carefully.

Paragraph Plan:

Title: MY FATHER'S COLLECTION

Who has?

How many?

Where are they?

How do you keep them?

Where do you get them from?

Your opinion

My father has got a collection of cans.

He has got thousands of cans.

They are in the basement of our house because it is very big.
All cans are on the shelves.

My father stores them carefully and he cleans them every week. When my father goes to different cities or countries, he goes to bazaars or supermarkets to buy new cans. He spends a lot of money for his interesting collection. I think my father should buy books.

B. Write the same paragraph.

C.

- **Write a paragraph about your collection or a person you know has a collection.**
- **Don't forget reading the samples in the book and in the booklet and pay attention to the paragraph plan.**
